NOTICE OF MEETING

Notice is hereby given that The Board of Directors of the Guadalupe Appraisal District will meet in a **REGULAR SESSION on January 14, 2026, beginning at 5:30pm.** in the Board Room of the Guadalupe Appraisal District office building, located at 3000 N. Austin Street, Seguin, Texas. Subjects to be discussed are listed on the attached agenda.

Under the authority of Chapter 551. Of the Texas Government Code, the Board, during the course of the meeting covered by this notice, may enter into closed or executive session for any of the following reasons provided the subject to be discussed is on the agenda for the meeting.

- For a private consultation with the Board's Attorney with respect to pending or contemplated litigation, settlement offers, or on a matter in which the duty of the attorney to the governmental body under the Texas Disciplinary Rules of Professional Conduct of the State Bar of Texas, clearly conflicts with this chapter. (Sec. 551-071)
- To deliberate the purchase, exchange, lease, or value of real property if deliberation in open meeting would have a detrimental effect on the position of the Appraisal District in negotiations with the third person. (Sec. 551-072)
- To deliberate the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of a public officer or employee or to hear a complaint or charge against an officer or employee. The subsection does not apply if the officer or employee who is the subject of the deliberation or hearing requests a public hearing. (Sec. 551-074)
- Deliberations regarding the deployment or specific occasions for implementation of security personnel or devices; or a security audit. (Sec. 551-076)

Note: For purposes of this subsection, an independent contractor, such as an engineering, architectural, or consultant firm, is not an employee. Atty.: Gen. Op Nw-129 (1980).

Chapter 418 of the Government Code, the Texas Disaster Act, which relates to managing emergencies and disasters, including those caused by terroristic acts, provides in section 418.183(f): A governmental body subject to Chapter 551 is not required to conduct an open meeting to deliberate information to which this section applies. Notwithstanding Section 551.103(a), the governmental body must make a tape recording of the proceedings of a closed meeting to deliberate the information.

NO FINAL ACTION, DECISION, OR VOTE SHALL BE TAKEN WHILE THE BOARD IS IN CLOSED OR EXECUTIVE SESSION. Chapter 551. Texas Government Code.

Agenda on Attached Sheet

This notice was posted and filed in compliance with the Open Meetings Act on or before January 8, 2026, at 5:00 p.m.

Notice of Contingency Fee Contract

MARION OAKS MUNICIPAL UTILITY DISTRICT OF GUADALUPE COUNTY
NOTICE OF CONTINGENT FEE ENGAGEMENT OF BOND COUNSEL

Pursuant to Texas Government Code Section 2254.1036, notice is hereby given that the Board of Directors of Marion Oaks Municipal Utility District of Guadalupe County (the "District"), at the public meeting described in the Notice of Public Meeting to which this Exhibit is attached, shall consider the engagement of Armbrust & Brown, PLLC (the "Firm") to provide bond counsel services for a contingent fee. In support thereof, the Firm offers the following:

1. The reason for pursuing issuance of bonds (the matter that is the subject of the legal services for which the Firm would be retained) is to finance public infrastructure improvements required for development of lands within the District. The desired outcome of the matter is to issue bonds in accordance with state, federal tax and securities law.

2. The Firm is a nationally recognized in the field of municipal securities law, and currently serves as bond counsel for multiple municipal utility districts.

3. The District does not have attorneys and/or supporting personnel who can perform bond counsel services.

4. The District cannot reasonably engage attorneys for bond counsel services under hourly fee contracts without contingency because then the District would have to pay such attorneys their fees from the District's unrestricted general funds, regardless of whether bonds are successfully issued, and such amounts are limited and needed for other uses.

5. The Firm's compensation is contingent upon the issuance and from proceeds of the sale of the bonds. It is customary for legal and financial counsel services associated with an offering of municipal securities to be provided on a contingent basis.

6. This contingent fee contract is in the best interest of the District's residents because the arrangement allows the District to have certainty of its costs prior to the issuance of such bonds, which allows it to size its bonds with greater certainty. This arrangement also allows the District to preserve its right to discontinue the issuance of such bonds for any reason without expending any costs. Further, the fees are fixed and only become due and payable when bonds are successfully issued.

7. The Firm has no relationship with the District or its Board members other than its position as provider of bond counsel services.

Taxpayer Impact Statement and Budget

MARION OAKS MUNICIPAL UTILITY DISTRICT OF GUADALUPE COUNTY

TAXPAYER IMPACT STATEMENT
PER TEXAS GOV'T CODE §551.043(c)(2)

Property tax bill for the median-valued homestead* for current fiscal year:	\$NA
Estimated property tax bill for the median-valued homestead* for the upcoming fiscal year if the proposed budget (attached) is adopted:	\$NA
Estimated property tax bill for the median-valued homestead* for the upcoming fiscal year if a balanced budget funded at the no-new-revenue tax rate as calculated under Chapter 26 of the Texas Tax Code*** is adopted:	\$NA**

*The Appraisal District does not report "median" homestead values. The calculations above are based on "average" homestead values, which are reported.

**The No-New-Revenue Tax Rate, as calculated under Chapter 26 of the Texas Tax Code, may not be capable of funding a balanced budget for the District.

***No-New-Revenue Tax Rate = rate expressed in dollars per \$100 of table value calculated according to the following formula:

$$\text{No-New-Revenue Tax Rate} = \frac{(\text{Last Year's Levy} - \text{Lost Property Levy})}{(\text{Current Total Value} - \text{New Property Value})}$$

Last Year's Levy = the total of the amount of taxes that would be generated by multiplying the total tax rate adopted in the preceding year by the total taxable value of property on the appraisal roll for the preceding year, including taxable value that was reduced in an appeal, all appraisal roll supplements and corrections as of the date of the calculation (other than corrections made under Texas Tax Code § 25.25(d) for errors that resulted in an incorrect appraised value that exceeds more than one-fourth of the correct appraised value for a residence or one-third the correct value in the case of all other property), portions of property involved in an appeal that are not in dispute, and the amount of taxes refunded by the taxing unit in the preceding year for tax years before that year.

Lost Property Levy = amount of taxes levied in the preceding year on property value that was taxable in the preceding year but is not taxable in the current year because the property is exempt in the current year under a provision of the Texas Tax Code other than 11.251 (Tangible Personal Property Exempt), 11.253 (Tangible Personal Property in Transit), and 11.35 (Temporary Exemption for Qualified Property Damaged by Disaster), the property has qualified for special appraisal under Chapter 23 of the Texas Tax Code in the current year, or the property is located in the territory that has ceased to be part of the taxing unit since the preceding year.

Current Total Value = total taxable value of property listed on the appraisal roll for the current year, including all supplements and corrections as of the date of the calculation, less the taxable value of property exempted for the current tax year for the first time under Texas Tax Code § 11.31 (Pollution Control Property) or 11.315 (Energy Storage System in Nonattainment Area).

New Property Value = means the following:

- o Total taxable value of property added to the appraisal roll in the current year by annexation and improvements listed on the appraisal roll that were made after January 1st of the preceding tax year, including personal property located in new improvements that was brought into the unit after January 1st of the preceding tax year.
- o Property value that is included in the current total value for the tax year succeeding a tax year in which any portion of the value of the property was excluded from the total value because of the application of a tax abatement agreement to all or a portion of the property, less the value of the property that was included in the total value for the preceding tax year.
- o For purposes of an entity created under Section 52, Article III, or Section 59, Article XVI of the Constitution, property value that is included in the current total value for the tax year succeeding a tax year in which the following occurs: (a) the subdivision of land by plat; (b) installation of water, sewer, or drainage lines, or (c) the paving of undeveloped land.

LIBERTY TRAILS MUNICIPAL UTILITY DISTRICT
PUBLIC NOTICE

At its meeting to be held at 1075 Union Wine, New Braunfels, Texas 78130 on January 21, 2026, the Board of Directors of Liberty Trails Municipal Utility District (the "District") will consider, among other matters, engaging Armbrust & Brown, PLLC ("AB") as bond counsel in connection with the issuance of public securities by the District on a contingent fee basis. Members of the public are entitled to participate in and to address the Board of Directors during the meeting. Pursuant to Section 2254.101(e) of the Texas Government Code, as amended (the "Contingent Fee Act"), the District is required to provide written notice to the public stating certain criteria in connection with the engagement of legal counsel to be paid in accordance with a contingent fee legal services agreement (the "Contract"). This notice is given in accordance with the Contingent Fee Act and the District hereby provides public notice of the following:

- A. It is anticipated that the District will issue public securities from time-to-time in the future and due to the complexities of the legal requirements related to the issuance of public securities, there is a substantial need to engage attorneys to provide legal services related to the issuance of public securities by the District;
- B. AB is a well-qualified law firm in public finance that has provided and continues to provide bond counsel legal services related to the issuance of public securities to many special districts similar to the District.
- C. AB has no relationship with the District's Board members.
- D. Legal services related to the issuance of public securities cannot be adequately performed by in-house attorneys or supporting personnel of the District because the District has no in-house attorneys or supporting personnel capable of performing such services.
- E. Legal services related to the issuance of public securities cannot be reasonably obtained from attorneys under a contract providing only for the payment of hourly fees without contingency because, due to the nature of the issuance of public securities, including the state law complexity and federal law intricacies relating to the issuance thereof, it is industry standard for competent, qualified, and experienced attorneys providing legal services related to the issuance of public securities to provide such services contingent upon and payable solely out of the proceeds of any public securities issued in the future.
- F. It is in the best interests of the District's residents, taxpayers, and/or ratepayers for the District to enter into a contract that provides for legal services related to the issuance of public securities on a contingent fee basis because this will allow the total costs related to each issuance to be known with better certainty before the public securities are issued, it will allow the size of each issuance of public securities to be determined with greater certainty, and it will allow the District to not incur any costs for legal services related to an issuance of public securities if it is discontinued for any reason prior to actual issuance of the public securities.

TAXPAYER IMPACT STATEMENT

LIBERTY TRAILS MUD does not levy an operations and maintenance tax to fund its operations and maintenance budget, and the proposed operations and maintenance budget will not impact the property tax bill of a homestead within the boundaries of LIBERTY TRAILS MUD.

GUADALUPE COUNTY MUNICIPAL UTILITY DISTRICT NO. 11
NOTICE OF CONTINGENT FEE ENGAGEMENT OF BOND COUNSEL

Pursuant to Texas Government Code Section 2254.1036, notice is hereby given that the Board of Directors of Guadalupe County Municipal Utility District No. 11 (the "District"), at the public meeting described in the Notice of Public Meeting to which this Exhibit is attached, shall consider the engagement of Armbrust & Brown, PLLC (the "Firm") to provide bond counsel services for a contingent fee. In support thereof, the Firm offers the following:

1. The reason for pursuing issuance of bonds (the matter that is the subject of the legal services for which the Firm would be retained) is to finance public infrastructure improvements required for development of lands within the District. The desired outcome of the matter is to issue bonds in accordance with state, federal tax and securities law.
2. The Firm is a nationally recognized in the field of municipal securities law, and currently serves as bond counsel for multiple municipal utility districts.
3. The District does not have attorneys and/or supporting personnel who can perform bond counsel services.
4. The District cannot reasonably engage attorneys for bond counsel services under hourly fee contracts without contingency because then the District would have to pay such attorneys their fees from the District's unrestricted general funds, regardless of whether bonds are successfully issued, and such amounts are limited and needed for other uses.
5. The Firm's compensation is contingent upon the issuance and from proceeds of the sale of the bonds. It is customary for legal and financial counsel services associated with an offering of municipal securities to be provided on a contingent basis.
6. This contingent fee contract is in the best interest of the District's residents because the arrangement allows the District to have certainty of its costs prior to the issuance of such bonds, which allows it to size its bonds with greater certainty. This arrangement also allows the District to preserve its right to discontinue the issuance of such bonds for any reason without expending any costs. Further, the fees are fixed and only become due and payable when bonds are successfully issued.
7. The Firm has no relationship with the District or its Board members other than its position as provider of bond counsel services.
