FOR IMMEDIATE RELEASE

Guadalupe County Selects Alternate Presiding Officer

Commissioner Carpenter to chair meetings when needed

Guadalupe County, TX: Guadalupe County Commissioners Court convened for their first meeting of 2025 on Tuesday, January 7. On the agenda was an item to select from amongst the commissioners an alternate presiding officer for times when the county judge is unavailable to sit as chairman at commissioners court meetings.

Precinct 3 Commissioner Michael Carpenter was chosen by a unanimous vote to assume the role for 2025. As the alternate presiding officer, he will chair meetings in any absence of County Judge Kyle Kutscher. Recently retired Commissioner Greg Seidenberger had previously served the county in this position.

Carpenter began his first term as Guadalupe County Commissioner for Precinct 3 in November 2020. Before that, he served as the mayor of Schertz, Texas, from 2012 to 2019 and as a city council member for Schertz from 2005 to November 2012.

Michael Carpenter
Guadalupe County
Commissioner Pct. 3

Commissioner Carpenter is managing the renovation project of the Schertz Satellite Office, located at 1101 Elbel Road. This upgrade will improve efficient use of office space, better serve residents, and ensure voters can stay indoors during busy periods, especially when long lines are anticipated.

The new floor plan prioritizes customer and employee safety while providing ADA compliance standards, glass storefronts, and open areas to enhance security and visibility. The main entrance will also facilitate easy access to all services available at this facility, including restroom facilities.

These much-needed upgrades will help streamline services and provide residents convenient access to various county services, including the Elections Office, County Clerk, District Clerk, Constables in Precinct 3, and Commissioners Carpenter, Precinct 3.

Commissioner Carpenter can be reached at (830) 303-8857, Ext. 3 or by cell phone, (210) 452-8003.
