### Guadalupe County Judge Appoints Commissioner for Precinct 3

GUADALUPE COUNTY, TX— Guadalupe County Judge Kyle Kutscher is pleased to announce the appointment of Jim Wolverton as the Commissioner for Precinct 3. Wolverton will serve on the Commissioners Court for the next year until the general election occurs and a new commissioner is chosen. This appointment follows the resignation of Michael Carpenter, the former Precinct 3 Commissioner, who stepped down after filing to run for County Judge.

Wolverton previously served as County Commissioner for Precinct 3 for over two decades before retiring from this role in December 2020. He played a key role in managing major facility projects that continue to benefit our county residents, including the Schertz Service Center in Precinct 3, renovations of the courthouse and Justice Center, and its nearby parking garage.

Guadalupe County Judge Kyle Kutscher states, "Mr. Wolverton brings a wealth of experience, financial understanding of the county budget, and a deep understanding of the role of the Commissioners Court in making decisions that impact the services our residents rely on daily. He has a long history of effectively serving as a county commissioner, representing our county on numerous government boards, committees, and special projects. His understanding of the budget and county processes will be most helpful."

Commissioners Court meetings are open to the public and can also be accessed by phone or via Zoom. For more information, please visit [GuadalupeTX.gov](https://www.GuadalupeTX.gov).

The Texas Local Government Code, Section 87.042, gives the county judge the authority to appoint an interim and fill the vacant seat until the general election is held.
