## **Guadalupe County Constable Pct. 4 to donate stolen items**

GUADALUPE COUNTY, TX – A Guadalupe County deputy made a traffic stop for a traffic violation in late spring 2025. The smell of marijuana allowed a probable cause of search, in which a small amount of marijuana was found. Further search found items considered retail theft in the back of the vehicle, including high-end clothing brands with store sensors still attached.

Constable Harvey Faulkner and a deputy took possession of the property, and the vehicle owners were allowed to claim the items at the Justice of the Peace office. The case went to a court hearing, and a letter was sent advising how to claim the items. The items were not claimed, leaving Judge Friesenhahn, Pct. 4, to award the items to the Constable Pct. 4 office. Constable Faulkner opted to donate these items to help others in need. Over \$5,800 in items will be donated to the Life Gate Christian School.
