County, the County may enter into a contract with: (1) the lowest bidder; or (2) the bidder whose principal place of business is in the local government if the governing body of the local government determines, in writing, that the local bidder offers the local government the best combination of contract price and additional economic development opportunities for the local government created by the contract award, including the employment of residents of the local government and increased tax revenues to the local government. This section does not prohibit a local government from rejecting all bids.

FIRM PRICING

All of the items listed are to be on a "per unit" basis, stating a firm price per unit or unit quantity of each item. This price must be good from the date of bid opening for a fixed period of time. Unless the bid expressly states otherwise, this period shall be until the end of the contract per the bid document. If such funds are not allocated and available, this agreement may be terminated by the County at the end of the period for which funds are available. The County shall notify the Vendor at the earliest possible time before such termination. No penalty shall accrue to the County in the event this provision is exercised, and the County shall not be obligated or liable for any future payments due or for any damages as a result of termination under this section.
