 Texas Veterans Commission - VA Claims
 DAV – VA claims, other services
 The Ecumenical Center Mental Health Counseling, PHD
 Blue Bonnet Trails Mental Health Counseling, LPC
 Vet Center Mental Health Counseling, LPC

WELCOME

Guadalupe County's new Veterans Outreach Center has been a team vision for many years. We are excited to be opening soon to offer a pleasant environment that aims to support and benefit veterans and their families. Guadalupe County and surrounding areas have a large population of veterans so bringing resources closer to home was our ultimate goal. This new space allows partnering agencies to deliver their services, support, and resources to all those seeking guidance.

Informational sessions will be a great means to provide ongoing education and specific program highlights to keep Veterans involved and informed. We also have planned social activities and look forward to seeing you soon.

Nancy Russell
 Veterans Services Officer/Director

Scenes of construction progress are ongoing as we get closer to a move in date.

Guadalupe County Veteran Services

Our Veteran Services Office staff have a combined 40 years of active duty service. Our Veteran Service Officers are accredited through Texas Veterans Commission and assist with VA benefits including disability, surviving spouse, dependent claims, burial benefits and more. Additionally, we provide guidance and referrals for employment, education and numerous other services. Currently we coordinate van transportation to VA appointments in San Antonio and New Braunfels.

Veterans Outreach Center
